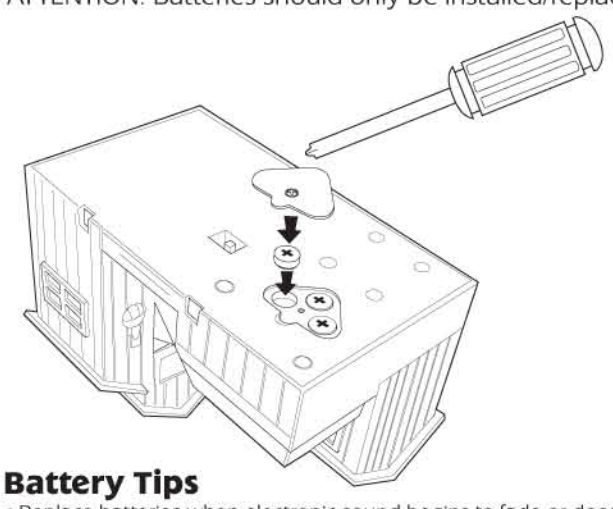
Battery Change Information

ATTENTION: Batteries should only be installed/replaced by an adult.



- Using a Phillips screwdriver remove screw in bottom of Warehouse.
- Lift off battery cover.
- Remove old batteries and replace with three new 1.5 volt AG13 button cell batteries. Replace battery cover.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Battery Tips

- Replace batteries when electronic sound begins to fade or does not work.
- Install and charge batteries under adult supervision.
- Do not charge non rechargeable batteries.
- Do not mix different types of batteries or new and used batteries.
- Insert batteries with the correct polarity.
- Remove exhausted batteries from toy and dispose of properly.
- Do not short-circuit supply terminals.
- Use only batteries of the same equivalent type.
- Do not mix alkaline, standard (carbon zinc) or rechargeable (nickel cadmium) batteries.
